In the event of a cancelled or abandoned performance due to circumstances outside of the Management's control:

- Tickets may be exchanged for any remaining performance during the SAME season, subject to availability.
- To qualify for an exchange you must validate your ticket with the Box Office onsite, and retain this ticket. Exchanges will only be granted if you are present at the abandoned performance.
- GSC will decide if the circumstances result in a performance needing to be cancelled or abandoned.
- **For Open-Air events:** Tickets are purchased in the understanding that these are open-air events and there is a possibility that the weather may be wet and/or cold. Should you decide not to attend your chosen performance due to the weather, GSC will not issue refunds.
- Please see the **GSC Weather Policy** below.

WEATHER POLICY

For our Open-Air performances both the stage and audience seating are completely uncovered. GSC kindly reminds you that the British weather can be changeable and localised.

The Rain

- Performances are never cancelled before the advertised starting time, and only then in the event of extreme bad weather. Once underway a performance will continue even if it does begin to rain, and the company will make every effort to complete the performance.
- GSC reserves the right to stop and start the action as necessary.
- If cancellation or abandonment is unavoidable, you may exchange your ticket for any remaining performance during the same season subject to availability. In this instance, please retain your ticket for validation purposes. Refunds are NOT given.
- Decisions on abandonment/cancellations are made solely by GSC and such a decision will not be made until the scheduled start time.
- We kindly request that umbrellas are not used as they create problems of noise and visibility.

The Sun

- A sunny day is perfect weather for open-air theatre, but please note that both audience and actors are not undercover. Performances will continue and not be cancelled - refunds and exchanges cannot be made due to the heat.
- We advise you to bring sun-cream and hats, and wherever possible whilst picnicking and in the interval use the shade of the trees and buildings. Parasols may be used but please be considerate to the audience members around you.
- Also make sure you have a good supply of water with you. Bottled water is also available at the bar.

GENERAL TERMS & CONDITIONS
